

NEANS Panel Marine Work Group Survey Results

Carolina Bastidas, MIT Sea Grant
Alicia Grimaldi, US Environmental Protection Agency

March 21, 2024

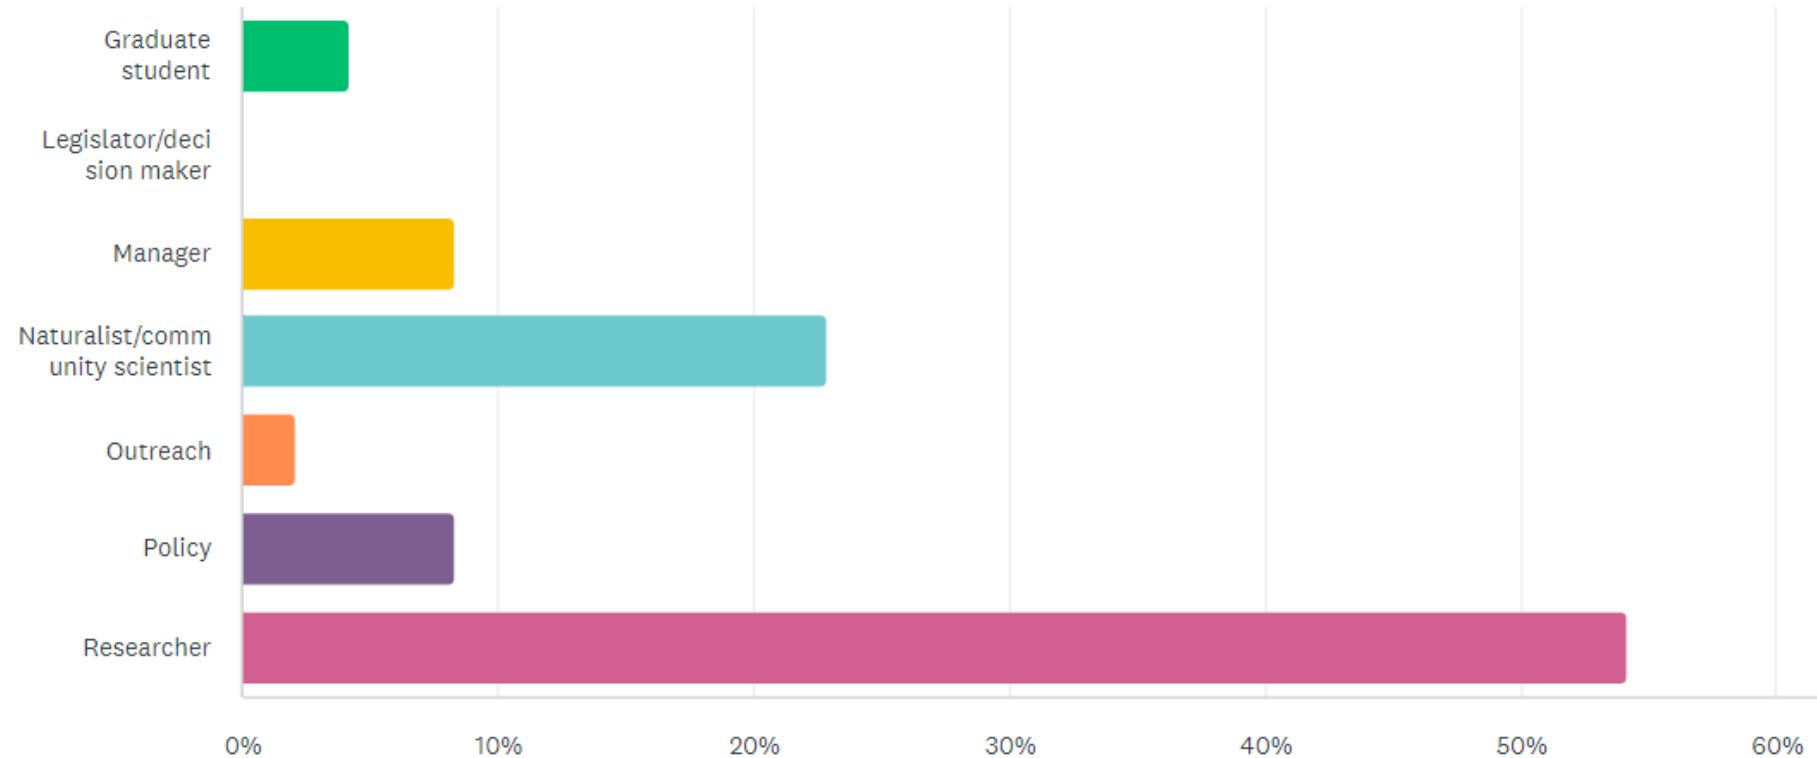

Survey Questions

- Name and affiliation
- Role
- Geographic region
- Taxonomic focus
- Willingness to identify species
- Other

Survey Results: Roles

Are you working on invasive species and if so, in what capacity?

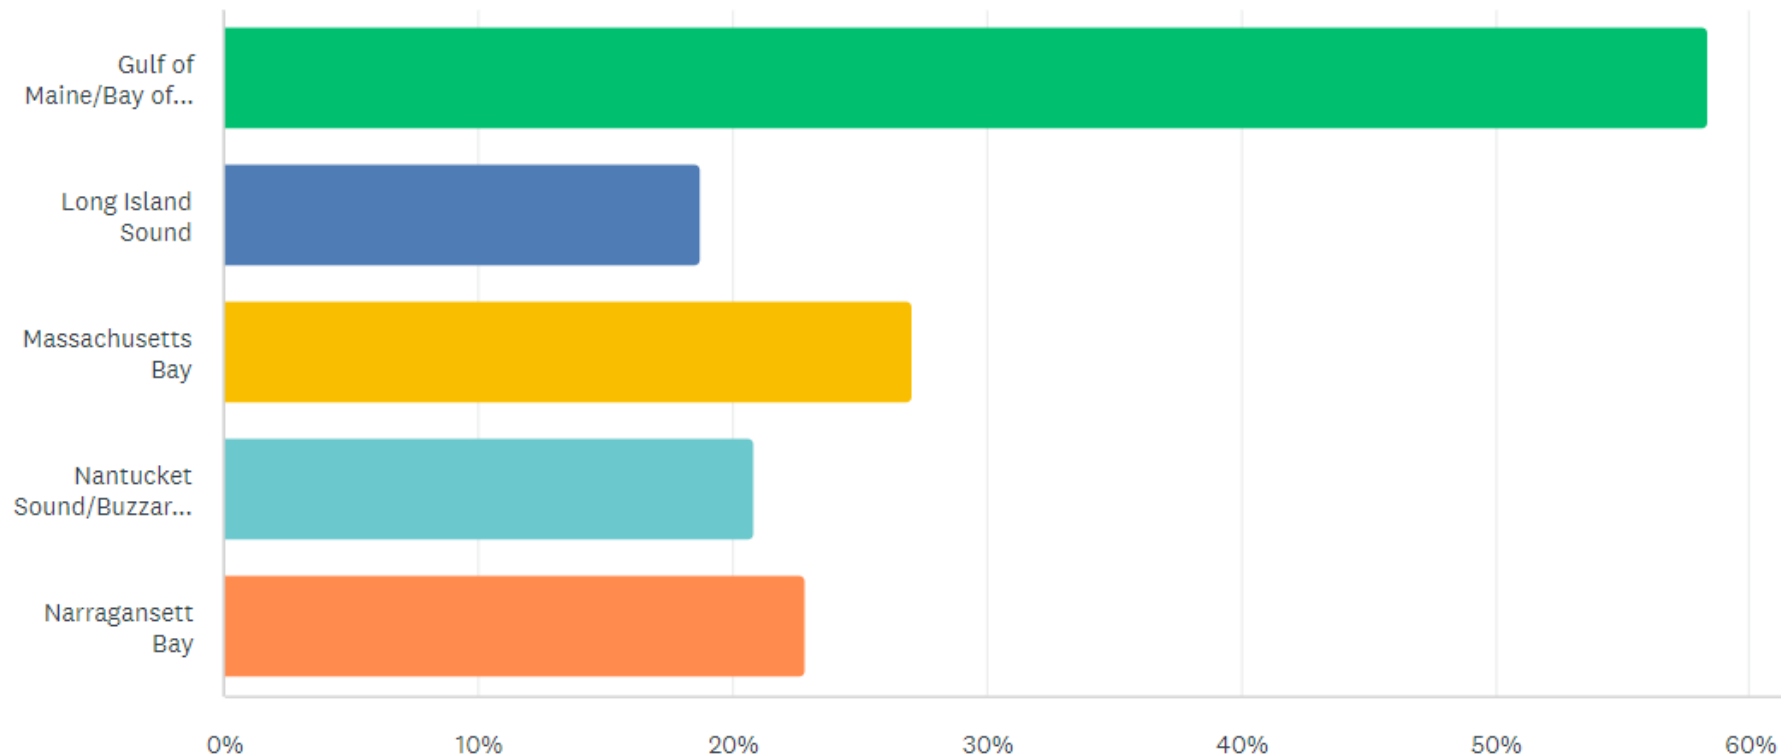

Answered: 48 Skipped: 0

Survey Results: Geography

What is the geographic region in which you are working? (please check all that apply)

Answered: 48 Skipped: 0

Survey Results: Taxonomic Focus (1)

• Algae (5)

- Antithamnion sparsum (1)
- Bonnemaisonia hamifera (1)
- Macro Algae/Seaweed (4)
 - Codium fragile (4)
 - Colpomenia peregrina (2)
 - Dasysiphonia japonica (2)
 - Fucus serratus (1)
 - Grateloupia turuturu (3)

• Invertebrates (9)

- Macroinvertebrates (1)
- Annelida (polychaetes) (2)
- Bryozoans (6)
 - Bugula neritina (2)
 - Cribilina mutabilis (1)
 - Membranipora membranacea (4)
 - Tricellaria inopinata (2)
- Mollusks (4)
 - Ostrea edulis (2)
 - Zebra mussels (1)

Survey Results: Taxonomic Focus (2)

- Crustaceans (3)

- Barnacles (1)
- Amphipods (2)
 - Caprella mutica (3)
 - Skeleton shrimp (1)
- Isopods (2)
- Crabs (8)
 - Callinectes sapidus (1)
 - Carcinus maenas (10)
 - Hemigrapsus sanguineus (6)
- Shrimp (4)
 - Palaemon elegans (2)

- Tunicates/Ascidians (8)

- Ascidiella aspersa (3)
- Botrylloides violaceus (3)
- Botryllus schlosseri (3)
- Ciona intestinalis (1)
- Didemnum vexillum (2)
- Diplosoma listerianum (3)
- Styela clava (3)

Survey Results: Taxonomic Focus (3)

- Cnidarians (2)

- Anemones (2)
- *Diadumene lineata* (2)

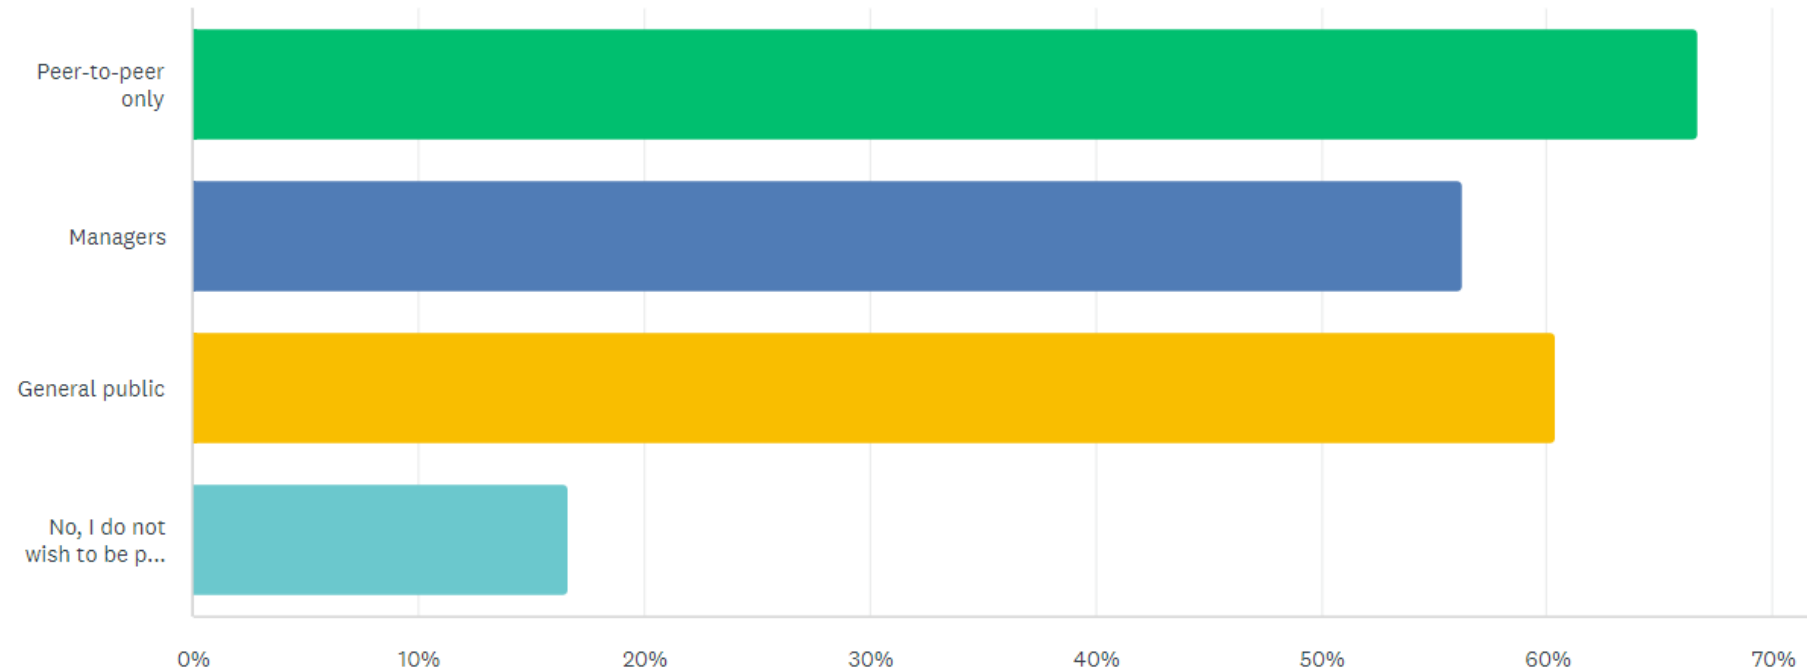

- Other

- Birds (1)
- Broad focus (4)
- Fish (1)
- Fouling communities (2)
- Harbor (1)
- Intertidal species (3)
- Larval dispersal (1)
- Nekton biodiversity (1)
- Parasites (1)
- Phragmites (1)
- Tidal wetland plants (1)

Survey Results: Species Identification

Are you willing to work on species identification requests? (please check all that apply)

Answered: 48 Skipped: 0

Survey Results: Other

- Upcoming publications
- Outreach efforts and events
- New research efforts

A wide, flat beach with gentle waves washing onto the shore under a clear blue sky. The text "NEXT STEPS?" is centered in the upper half of the image.

NEXT STEPS?
